Resolved—that the same be passed.

Resolved—also that the Amildars and Deputy Amildars be requested to expedite completion of the many works now on hand but which have not made satisfactory progress.

II. Read and recorded—

(1) Proceedings of Government No. 16064-8—L. F 151-94, dated 2nd April 1895, passing orders on the District Fund Budget of the Chitaldrug District for the year 1895-96.

(2) Proceedings of Government No. 18827-60—L. F. 161-94, dated 1st May 1895, passing orders on the sanitary measures adopted by the Deputy Commissioner of Kadur to arrest the spread of cholera at Ajjampur.

III. Read Proceedings of Government No. 15271—L. F. 345-92, dated 2nd March 1895, enquiring what would be the cost of putting in order Honnappa Naidu's Chattram at Malebennur and directing that the views of the Local Fund Board regarding the transfer of the building to the management of Government be reported. Read also Resolution No. IV of the Boards meeting held on 26th March last on the subject, and also Executive Engineer's No. 455, dated 2nd May 1895, forwarding No. III Sub-Division Officer's report No. 429, dated 23rd April 1895, on the present condition and value of the building.

Resolved—that the matter be again referred to the Executive Engineer with a request that he will kindly value the building himself when he next visits that locality, and furnish the Board with his opinion as to its value together with the site on which it stands.

IV. Read Proceedings of Government No. 11190-97—L. F. 190-93, dated 22nd January 1895, calling for additional information in regard to the establishment of toll-gates on the frontier roads in the Province. The only District Fund roads on which toll-gates could be established are :—

(1) Hangal-Roydrug road,
(2) Vizapur-Ujani road, and
(3) Harihar-Harapanhalli road.

The traffic not being heavy on any of these roads, the net toll collections are not likely to exceed Rs. 200 on No. 1, Rs. 100 on No. 2 and Rs. 200 on No. 3. The revenue expected being paltry, the Board does not consider it advisable to propose the establishment of toll-gates on any of these roads.

V. Read Executive Engineer's No. 131, dated 27th April 1895, requesting the Deputy Commissioner to arrange for the payment of the District Fund portion of the cost of constructing a Female Dispensary at Chitaldrug and also the Deputy Commissioner's No. 471—197, dated 7th May 1895, being the reply thereto.

Resolved—that the reply be approved and that the Executive Engineer be informed that the Board undertake to pay one-third of the cost of constructing a Female Dispensary at Chitaldrug.

VI. Read Executive Engineer's No. 104, dated 4th April 1895, requesting to obtain the approval of the District Fund Board for incurring an expenditure of Rs. 1,500 during 1894-95 towards the tunnelling of the Holalkere-Huliyar road.

Resolved—that the approval of the Board be communicated to the Executive Engineer.

VII. Read letters Nos. 1476 and 1728, dated 2nd April 1895 and 16th May 1895, respectively, from the Military Secretary, requesting that suitable accommodation for the men and horses stationed at Jagalur be provided from Local Funds, and stating that if this could not be done, it would become necessary to remove the detachment to some other place.

Resolved—that the retention of the detachment at Jagalur being necessary in the interests of the safety of life and property in the Jagalur Taluk, the Deputy Commissioner be requested to arrange for the early construction of stables and houses either from Local Funds General or from District Funds. The stables and houses must be cheap and substantial.
